By clicking on an image, you can see the actual course and the certificate.

DeepLearning.AI · Course

Supervised Machine Learning: Regression and Classification

Feature Engineering   Deep Learning   Plot (Graphics)   Customer Success

Critical Thinking   **+ 5 more**

DeepLearning.AI · Course

Advanced Learning Algorithms

Algorithms   Machine Learning Algorithms   Artificial Neural Networks   Decision Making

Machine Learning   **+ 5 more**

DeepLearning.AI · Course

Neural Networks and Deep Learning

Deep Learning   Machine Learning   Human Learning   Linear Algebra

Artificial Neural Networks   **+ 5 more**

DeepLearning.AI · Course

Natural Language Processing with Classification and Vector Spaces

Machine Learning   Statistical Programming   Statistical Machine Learning

Probability & Statistics   Human Learning   **+ 5 more**

DeepLearning.AI · Course

Natural Language Processing with Probabilistic Models

Machine Learning   Machine Learning Algorithms   Statistical Machine Learning

Statistical Programming   Python Programming   + 5 more

UNIVERSITY OF BELGRADE
SCHOOL OF ELECTRICAL ENGINEERING

python™ django
